Budget Committee

Report of Advisory Committee On Traffic Problems

Early in the Summer of 1951 the Committee met with the Board of Selectmen and made the following recommendations:

1. That Blinker Lights be installed at the intersection of Church Street, and Glen Street with Main Street.
2. That Exchange Street be made a one way street traveling in a Westerly direction toward the Grand Trunk or that a Blinker Light be installed at its intersection with Main Street.
3. That Park Street be made a one way Street traveling in an Easterly direction or toward Main Street.
4. That the Police be instructed to enforce all Traffic regulations and eliminate the speeding that exists in the Town.
5. That the parking of Trailers and Semi-trailers on Main and Exchange Streets, in such a way as to almost block the Streets, be eliminated.
6. That steps be taken to enforce the Law requiring all vehicles to stop when School buses are either loading or unloading and showing a flashing red light.

As the Board of Selectmen did not see fit to take any action on any of the above recommendations no further meetings were held.

Signed

HARRY A. BISHOP (Chairman)
HELEN L. STAPLES
CLARENCE E. HAMMOND

Report of Recreation Commission

To the Inhabitants of the Town of Gorham:

The Gorham Recreation Commission is now just completing its second year of operation. During the past year Mrs. Martel resigned and was replaced by Antonio LaCombe. Clarence Ashcroft moved from town and Mrs. Warren Percival was appointed to replace him.

George Reid and Mary Penney were employed as supervisors. The assistants in charge of the newly added Toddlers Groups were Jane Simoneau and Janet Proof on the Common, and Barbara Blake and Patricia LaCombe at Cascade.

Due to the Brown Company construction at Cascade it was necessary to use other areas during the summer. The program of swimming, baseball, basketball, soft ball, croquet and the like was generally well received.

The Gorham Woman's Club presented the Town with two drinking fountains, one for the Common and one for the Cascade. Swings, teeters and a slide were purchased for the Cascade area.

During the year bills totalling \$1,799.75 were approved by the Commission and turned over to the selectmen for payment. A detailed statement of our expenditures is given below.

Report of Committee on Air and River Pollution

Appointed by George H. Keough, Moderator
as voted

At Town Meeting, March 13th, 1951, Article No. 2
Gorham, New Hampshire

The full Committee met at the office of Lawrence F. Whittemore, President of Brown Company, including Wentworth Brown, V. P., also John Jordan, V. P., and George Day, Director of Research, April 6, 1951.

The question was asked Mr. Whittemore, if the river could be blocked off near the Eugene Libby estate in Gorham so that the river would be confined to its channel, thereby doing away with some odor by closing that part of the river now running close to the highway.

Mr. Whittemore told the Committee that he would check the situation but would like to explain some of the plans which they were working on to eliminate these odors. He told us about the proposed lagoon to be built at Cascade and asked Mr. Ray if the Selectmen would like to be his guests on an inspection of a similar lagoon that was in operation at Livermore Falls, Maine.

Mr. Whittemore then asked Mr. Day to explain some of the plans he was working on at the Research Department. Mr. Day told us that they were working on methods, that if successful, would eliminate the odors not only from the river but the air as well.

The meeting then adjourned.

Later the Committee discussed the matter and all agreed that the Brown Company officials appeared to be as disturbed as we were and was making serious efforts to better the condition, proof of same is the expensive lagoon at the Cascade which Mr. Whittemore told us would be constructed.

We further agreed that perhaps the best course to follow was to wait awhile, give the company a chance to work the situation out to the satisfaction to all concerned.

With deep appreciation to Mr. Whittemore and his officials, we respectfully submit this report to the Town Meeting of 1952.
